^A**Direct Debit Request Service Agreement** This agreement sets out the terms on which you have authorised WEX to arrange for amounts owing to WEX to be debited from your account at your financial institution. 1. Debiting arrangements – Our (WEX) obligations to you. The details of your debiting arrangement are shown in your Direct Debit Request (DDR). By you signing the DDR, you authorise us to debit the amounts that become payable to us from your account at the financial institution written on your DDR. We will only arrange for funds to be debited from your account if we have sent to the address stated on the DDR a billing advice specifying the amount payable by you to us and when it is due. If a debit date falls on a day which is not a business day, the debit will be made on the next business day. We will keep your direct debit records and account details confidential, except where the disclosure of certain information is required by law or is necessary for the purposes of this agreement. We may vary any details of this agreement at any time after giving you 14 days written notice. 2. Your rights – You can discuss, and in some instances change, arrangements under the DDR by phoning us on 1300 170 702. If you wish to stop, defer or cancel the payments under the DDR, you must notify us in writing at least 3 business days before the next debit date. If you consider that there has been an error in debiting your account, you should call us on 1300 170 702 in the first instance. If we cannot resolve the matter, you can still refer it to your financial institution. 3. Your responsibilities – It is your responsibility to: • ensure that your financial institution accepts direct debits on your nominated account (direct debiting may not be available on all accounts); • ensure that there are sufficient funds in your nominated account by the due date to enable debits to be made by us. If debiting is unsuccessful due to insufficient funds, we reserve the right to re-draw at such times as we determine and you may be charged a fee by us and your financial institution; • ensure that your account details on your DDR are correct and that the authority given to us to debit your nominated account is consistent with the account authority or signing instructions held by your financial institution for that account; • advise us if your nominated account is transferred, closed or any other account details change; • arrange a suitable payment method if your debiting arrangements are cancelled; and • ensure that any goods and services tax on a supply made in connection with this agreement incurred by us is payable by you.
